

## Department of Police

**6801 Delmar Blvd.  
University City, Missouri 63130**

**Press Release  
03/16/2016**

Today 2 p.m., a resident in the 7100 block of Waterman notified the police department that her deceased husband was a licensed pyrotechnics and had powders stored in the basement used in his business. The resident wanted the items disposed; and St. Louis County Bomb and Arson responded and removed the substance without incident. As a normal precaution, the street was blocked during the process with fire apparatus on standby. University City Police responded to assist.

As of 5 p.m., the street is still blocked off. HazMat team is still out to ensure the area and materials are properly cleaned up. The street will re-open when this work is complete.

***Detective Lieutenant Fredrick Lemons II***  
***Commander Bureau of Investigation***
