

Commission on Senior Issues

The Commission on Senior Issues was established at the recommendation of the Mayor's Task Force on Seniors and Youth.

Since January 2014, members of the Commission have been meeting to:

- Gain a better understanding of and keep Council informed on the needs and gaps in services for residents who are 50 years of age and older in our community.
- Find effective ways to communicate and inform older residents about programs, services and resources.
- Advocate for an age-friendly community for all ages and for opportunities that actively engage older residents.
