Special Refuse Collection Rental Program Guidelines and Requirements

As a part of the Neighborhood Services Program, the Public Works and Parks Department has implemented a program to accommodate residents with special refuse collection needs (i.e. Christmas, Spring Cleaning, Passover, Holidays, etc.). This program allows residents to pay a per use rental fee for a trash container (90-gallon cart or a dumpster) for one special pick-up from their home. **Only refuse that could normally be deposited in refuse containers would be acceptable.** **No hazardous materials, yard waste, building and construction debris permitted. Over-sized bulky waste only permitted in the large commercial roll-off dumpsters.**

Guidelines and Requirements

- Residents should come to the Public Works and Parks Department in City Hall to complete a rental agreement and pay the rental fee up-front, or make the payment with a credit card (Visa or MC) over the phone. Call 314-505-8560.
- Residents must sign the rental agreement and agree to take full responsibility for the replacement of lost or damaged containers.
- **Your signature approves the placement of any container on privately owned areas.** University City cannot be held liable for any damage to privately owned areas or items, including streets, sidewalks or curbs.
- The dumpster can only be dropped off and picked up by the Solid Waste Division.
- **Residents will need to reserve a special collection rental at least 5 days in advance. Normal delivery is Tuesday and/or Friday of each week.**
- You will be charged an additional rental fee if container is not placed at the curb on the scheduled pickup date; this charge will be applied to your refuse bill from the City of University City.
- Participation is limited to the supply of available containers.
- Fees are per container per pickup.
- All outstanding accounts (bills) to the City of University City must be paid before using this service.
- **No refunds for early removal.**

Residents must select from the available options below:

90 gallon cart container rental:

- The rental fee per container is for one pickup after delivery. Cart(s) would be delivered one week prior to regular trash day.
- Residents will be charged an additional rental fee per container each week beyond the rental return period. To avoid the charge, residents must set out container on next regular trash day by 6:00 a.m.
- The Solid Waste Division will remove the 90-gallon cart container on the next trash collection day that is no longer than 5 business days based upon Solid Waste Division's schedule.

Small dumpster (3 cubic yards) rental (including Right of Way permit):

- \$100 rental fee per (trash) dumpster is for one trash pickup (\$40.00 for each additional 10 business days, \$50 for an extra empty).
- \$40 rental fee per (recycling) dumpster for one recycling pickup (\$10.00 for each additional 10 business days, \$15 for an extra empty).
- The dumpster will be placed on the City's public street. Solid Waste Division will approve final location. Placement on private streets must be approved with signature.
- The Solid Waste Division will remove the small dumpster on the scheduled/agreed upon pickup date no longer than 10 business days based upon Solid Waste Division's schedule.

Large commercial roll-off dumpster (30 cubic yards) rental (including Right of Way permit):

- \$300.00 rental fee per roll-off for one pickup (\$200.00 for each additional 10 business days).
- The dumpster will be placed on the City's public streets, unless otherwise instructed by the signatory. Solid Waste Division will approve final location. Placement on private streets must be approved with signature.
- The Solid Waste Division will remove the large commercial dumpster on the scheduled/agreed upon pickup date no longer than 10 business days based upon Solid Waste Division's schedule.
