# Heman Park Master Plan 2014

## Introduction

Your thoughts regarding the master plan for Heman Park are very important in our effort to ensure the long range vision for the park, amenities and facilities meets the needs of the community. This survey is an opportunity for you to provide general thoughts regarding the park and its facilities. The input received will be used in future public meeting discussions, and help form the foundation for our planning efforts.

The survey has been divided into four sections, each focused on a specific area of the park amenities. These sections are:

1. Heman Park Outdoor Recreation
2. Heman Park Swimming Pool
3. Centennial Commons Recreation Facility
4. Heman Park Community Center

We encourage every adult in the household to complete all four sections, but you are welcome to complete individual sections only if you prefer.

Thank you for your time and input as we begin this exciting visioning process for Heman Park.

## 42. As part of this planning process we will be exploring the future of the Heman Park Community Center (HPCC) and its role within the park. Based on preliminary review of the facilities we have identified three possible scenarios for the Community Center, and we would like your thoughts on what you feel is best for the community. Please rate these three options for the HPCC, with your preferred option as #1. Comment boxes are provided below for any additional thoughts you have regarding the future of the HPCC.

Maintain Heman Park Community Center as-is continuing to address repairs as needed, but no major changes to the facility.

Maintain Heman Park Community Center with significant improvements/remodel to the building and systems.

Remove Heman Park Community Center and explore an expansion of Centennial Commons to absorb community center activities, and increase flexible use space with Centennial Commons. Existing Heman Park Community Center site would become additional park land.

## 43. If there were an opportunity to add or change program space within the Heman Park Community Center, what should be considered?

**45. Please provide an additional comments, questions, and/or recommendations for improvements to the Heman Park Community Center.**

We look forward to seeing you at our public meetings to be held throughout the planning process. These meetings are scheduled for April, June and August. Additional information will be provided through University City as the dates, times and locations for these meetings are confirmed.

6	Actually, it would be closer to 4-5 times a week.	5/26/2014 7:59 PM
7	A few times per year. Physical disability make this hard, although there are lots of accessible places. Pool use is good.	5/21/2014 1:28 PM

8	I use the gym, but not usually the park itself. About once a season I use the walking trail. Heman Park is often crowded and loud, not necessarily a relaxing place to visit. I don't always feel safe there walking around by myself. The park has a gritty feel. Sometimes the loud booming music and big parties make me uncomfortable.	5/20/2014 7:56 AM
9	Nothing there that interest me. We walk closer to and around Flynn Park which is in our neighborhood. When I bike I usually ride to Forest Park or drive to a trail for a longer ride	5/14/2014 11:01 PM

23	It seems far away and barren, and we don't recreate outdoors much anyway. Forest Park is closer for us.	3/15/2014 12:06 PM
24	I do not think this park is a safe place for families. I walk around it to get to the pool.	3/14/2014 11:06 AM

6	Better and longer walking/running trails	6/20/2014 12:20 AM
7	-steam room or sauna -hot tub -heated pool	6/19/2014 8:02 AM
8	See #10 above. Natural settings should have something of interest for every season.	6/18/2014 1:02 PM
9	Racketball	6/13/2014 7:19 AM
10	more water fun	6/11/2014 6:20 PM
11	There should be at least one soccer field that does not become part of a baseball field in the summer. I play soccer often in the park with a local pick-up soccer club. Anything soccer related for adults would be awesome. Maybe some small goals or short fields for small soccer games like 6 on 6. Also I think it would be nice to create a wildlife or bird focus on the areas of the park that are sort of wild already like along the water. Native plants, bird habitat, butterfly habitat, etc.	6/11/2014 12:17 AM
12	Racquetball courts would be excellent! I'd use them a few days a week.	6/10/2014 10:55 PM
13	hot tub in pool area?	6/10/2014 8:23 PM
14	bicycle path	6/9/2014 4:08 PM
15	A splash park would be amazing. I'd use it just as much as the pool. It would probably bring tons of people to the park! Our family uses the pool a lot in the summer, but it really needs some work to make it a more enjoyable experience.	6/6/2014 8:25 PM
16	If facilities/ grounds/ security was better, we would use Heman park more often for playground, fields, pavillions, etc.	6/5/2014 8:33 PM
17	maybe more basketball courts (maybe even 1 for kids), nicer playground	6/5/2014 7:53 AM
18	volleyball, updated swimming pool with more interactive pool things like some of the other rec centers.	6/4/2014 12:07 PM
19	Better basketball courts	5/31/2014 7:50 AM
20	mountain bike or cyclocross trail	5/29/2014 8:52 AM
21	Cleaning up the River Des Peres/removing sources of pollution in the river is the single biggest improvement that could be made. Older player soccer program	5/28/2014 8:11 PM
22	More pavilions! More music. More open, scattered Festival days... Get folks TO the park by providing a free shuttle from the Loop and from Olive and a cross street. Let musicians roam freely. Heman Park trees and landscapes are really magnificent, but the River is stinky. Must clean it up somehow. Heman is a gem. Could bring U City a lot of love.	5/28/2014 7:21 PM

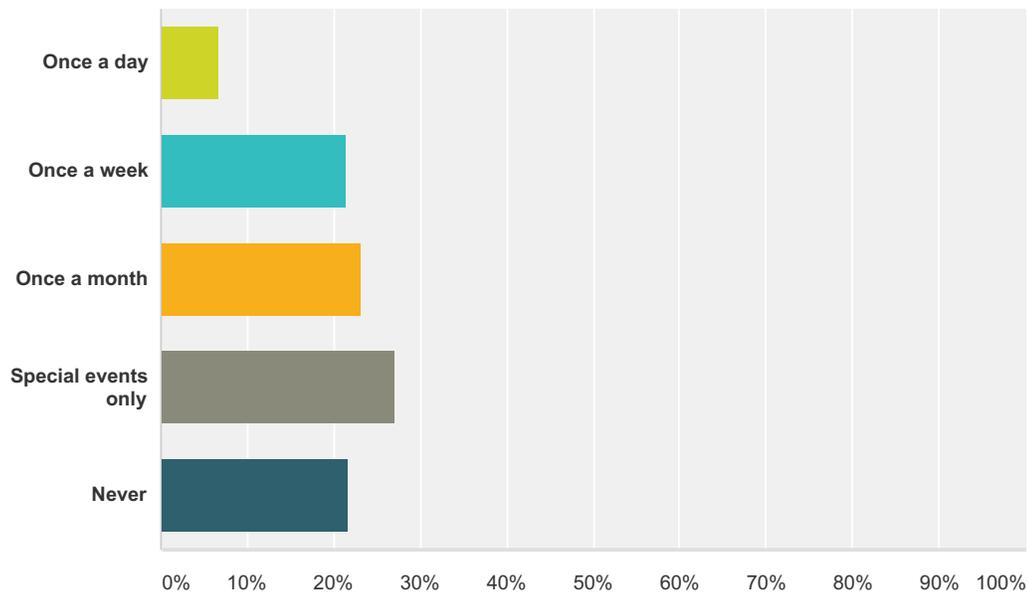

23	In Forest Park, where we go more frequently, the walking/running/cycling paths are always crowded, sometimes uncomfortably so. It seems that the paths in Heman Park are not used at a similar level -- could they be upgraded and improved? Even if it's only 1.7 miles around the loop. Perhaps there could be a figure-8 loop created, incorporating both the perimeter and the center of the park, that would create a nice distance for cyclists and runners. A top-level exercise path might be the best, most practical thing the park could do to increase usership and improve individual and community health.	5/28/2014 11:55 AM
24	increase jogging/walking trails and add lighting	5/27/2014 3:48 PM
25	Pavillions away from the courts and fields	5/27/2014 12:48 PM
26	none.	5/27/2014 12:20 PM
27	An exercise or fitness path/trail type of thing with different exercise stations (Fit-Trail, LifeTrail, iTrack, Parcourse, etc) would be really nice.	5/26/2014 7:59 PM
28	lacrosse, more tennis activities	5/26/2014 3:48 PM
29	more outside events when weather is nice. ( if not set up screen on indoor soccer "grass: family movies; concerts	5/26/2014 3:19 PM
30	Kids Soccer League Kids Softball League Kids Lacrosse Water Polo Water aerobics	5/26/2014 3:18 PM
31	Would be nice if the park was modernized a bit more, cleaner, more maintenance	5/26/2014 1:16 PM
32	park benches strategically located, drinking fountains, more trees and naturalizing, wild flowers, bandshell, high water bridge to cross RdP, bridge to access UCCC from the area by mulch pile, enlarge DogPark with what is now the tree nursery.	5/26/2014 11:48 AM
33	Pool upgrades	5/24/2014 7:08 AM
34	safer basketball courts for kids (closer to Midland), small-sided soccer fields, futsal court. Skate park. Bike/jogging path internal to the park... not next to Olive traffic.	5/23/2014 4:24 PM
35	The addition of drinking fountains with a faucet and bowl for dogs near the bottom would be outstanding! Someway dogs could get water in the hot months.	5/23/2014 4:00 PM
36	Climbing wall, better playground	5/23/2014 8:20 AM

1	Remove mulch and composting function from park - move to Ruth Park compost complex. Also, provide an entrance off Midland suiteable to such a park. Improve parking lots. Gravel is good for permeability, but looks bad and does not provide accessibility for disabled. Also remove old telephone poles (it makes our City Park looks like a hoosier park) - install curbs. Provide a nice entry sign at Midland entry and Olive (by Tennis Courts). Improve the veterans memorial area - it looks very tired and is not accessible. Improve park lighting - more consistent. Develop a use for the strip of land along Vernon (between Vernon and the creek). Lots of petenial here. Improve bridge across River des Peres - near exist mulch piles. Consider demonstration restoration program for the River des Peres as it goes through the park.	7/7/2014 10:19 AM
2	thank you for asking	7/2/2014 6:21 PM
3	please put in little kid toilets and sinks in changing area/ showers at pool.	6/26/2014 10:16 PM
4	I would consider a natural ampitheatre for shows, music and movies with built in electric, water and facilities blended into a natural setting.	6/21/2014 8:58 AM
5	Needs more landscaping, better maintained road, signage for all amenities (example: how to get to the tennis courts from midland and Vernon)	6/20/2014 12:20 AM
6	Perhaps an indoor pool for winter use.	6/19/2014 7:34 PM
7	Having more waste receptacles would help.	6/18/2014 1:02 PM
8	More police	6/13/2014 7:19 AM
9	I like Heman park, but it's confusing. It's hard to tell that it's all one park. Like if you told me there were tennis courts in Heman Park, I might say no they're North of the park. It needs to be more of an inviting space instead of a collection of items or fields for various uses. Better wayfinding signs would help along with areas that are just nice for sitting with the ideas for wildlife and garden areas like I mentioned above. I've lived here for 8 years and I couldn't tell you how to get to the tennis courts if you are in the park near Vernon and Midland. I don't know if you can. The park should draw you in, but sometimes it feels like you are somewhere you aren't supposed to be or its under construction or being landscaped or something the further you venture towards the middle. Once you are in the park you should be able to easily get to any of the places therein. And nice places to sit. The water ways need some serious attention.	6/11/2014 12:17 AM
10	Mulch piles are great but getting unsightly.	6/10/2014 10:55 PM
11	Tear down the old community center at Pennsylvania and Vernon.	6/10/2014 3:05 PM
12	dont change the main pool. this type of basic pool dosent exist in many places. there is also nice grassed areas.	6/10/2014 7:10 AM
13	The pool is pretty run down. It is in desperate need of improvements to the locker rooms (larger more private shower areas would be a start). The kiddie area is also in sad shape - I'd love to see an expansion there with more fountains and splash type areas like the maplewood pool. The main pool is ok, but the surrounding grass area needs more shady spots and maybe some more nice picnic benches.	6/6/2014 8:25 PM

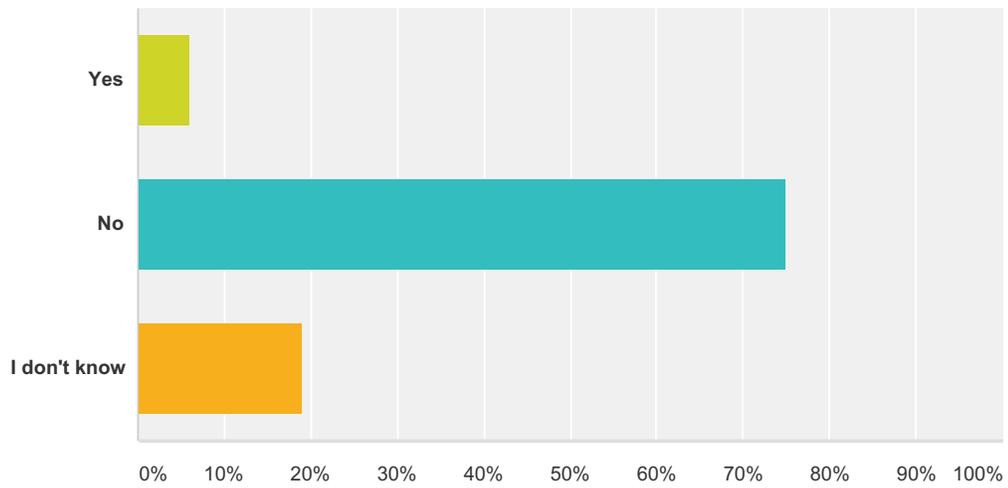

14	Heman Park has great space and field for athletics. I would like to see it as a secure place for families. Security is a big concern, considering last years' shootings and other questionable behavior. I think to make Heman Park a family destination, the U City police should be assigned to the park at all times or, if this is not financially feasible, during peak hours. I feel about Heman Park the same way I feel about the Loop: I love the diversity and community. But if I feel my family's safety is at issue, I will not go. Of course most congregations of people at Heman Park are social gatherings without any threat. However, having a police presence would be a reassurance that any unruly behavior will be dealt with. In addition to security, beautification of the grounds would be a draw to Heman Park. Could U City in Bloom be involved?	6/5/2014 8:33 PM
15	winding paths, wooded area, butterfly garden	6/5/2014 7:53 AM
16	Keep pool water clean	5/30/2014 3:59 PM
17	I think Heman park is a well used park with a very integrated clientele. I would not make fundamental changes.	5/28/2014 8:11 PM
18	please end pavillion rentals at sundown instead of 10:30pm	5/27/2014 12:20 PM
19	Buy out U haul and apts on West and incorporate into Park	5/27/2014 9:13 AM
20	some are very nice, but everything needs a bit of polishing/updating. Others need to be leveled and forgotten or completely re-started.	5/26/2014 3:48 PM
21	work on the appearance, U City in bloom can only ony do so much	5/26/2014 3:19 PM
22	Clean up the pool area, cleaner bathrooms, cleaner concessions, easier access to concessions and toilets.	5/26/2014 3:18 PM
23	UCCC needs a facelift	5/26/2014 11:48 AM
24	Some comments provided in answers above. Basketball courts are problematic with police, it seems, moving them closer to Midland would solve that. Olive section of path would be safer if it were internal to the park.	5/23/2014 4:24 PM
25	The whole park is terribly run down	5/23/2014 8:20 AM
26	no change needed	5/20/2014 8:12 AM
27	Foot patrols by police, rather than car patrol of parking lots	5/18/2014 9:59 PM
28	make wood chips easier to load like mulch	5/15/2014 3:58 PM
29	make the river more visible	5/14/2014 9:35 PM
30	I would like to see River Des Peres capped and covered through the U City section.	5/13/2014 8:31 PM
31	Last summer safety seemed to be an issue. This needs to be addressed.	5/4/2014 3:06 PM
32	more bathrooms	5/2/2014 6:45 AM
33	The most important thing is to make the stream a positive instead of a negative.	5/1/2014 9:14 PM
34	Safety, safety, safety.	5/1/2014 8:03 PM
35	More security to reduce alcoholic drinking and getting high in the park. It is very annoying when you are there with your kids	5/1/2014 3:58 PM
36	Thanks!	4/27/2014 1:52 AM
37	the bike trail through the park should be completed through U City as proposed by centennial greenway including along wilson and through ruth park with anahnced river des peres watershed and more more natural (not a ditch)	4/23/2014 4:10 PM
38	Love the trees, flowers, shrubs. The walks are an improvement. Need better identification for the entrance on Midland.	4/23/2014 2:21 PM
39	Grass seed, fertilizer, weed killer, crabgrass control	4/23/2014 10:22 AM
40	It would be very nice if River Des Peres could be cleaned up so that it could be enjoyed by visitors and an added attraction in the park. Remove all honeysuckle in the park so that you don't have to use weedkillers along paths and the river. Need to encourage native plantings along the banks and paths. Park resources should not go for dog poop bags. Pet owners should reuse grocery bags. We can use the funds and staff time for other park maintenance and let the pet owners be responsible for their dogs.	4/23/2014 10:08 AM
41	Beautify the pool building. It's ugly.	4/18/2014 3:39 PM

42	Maybe City's operations areas such as mulch pile can be relocated to somewhere else because it is not a recreationally oriented feature.	4/18/2014 12:37 PM
43	Heman Park has the potential to be a regional showplace for how to incorporate an urban stream and natural ecosystem enhancement into the overall management of a very busy city park. I have been pleasantly surprised to see Great Blue Herons, Wood Ducks, and other wildlife along the stream, as well as 4 inch long green sunfish in the water! I would like people to realize that this stream is more than just a sewer.	4/15/2014 9:27 AM
44	Litter pickup!!! This could be a school/community wide activity that could be educational and instill important values and pride of place in residents and youth.	4/14/2014 12:10 PM
45	Place more feed for birds in bird sanctuary	4/14/2014 12:00 PM
46	This park is a dump. Get a park designer to show us some plans worthy of U City.	4/13/2014 8:16 PM
47	Currently River Des Peres cuts through and divides the park making it feel much smaller and not adding much to the park. Coinciding with the planned MSD work, now would be a great time to start planning restoration of River Des Peres and possible adding additional recreational features to the park: See Theis Park Amphitheater and Fountains Kansas City, MO as an example	4/9/2014 5:31 PM
48	The sign at the entrance to Centennial Commons parking lot needs beautification, More trash cans along paths and signs that discourage littering.	4/9/2014 9:04 AM
49	Need indoor pool, year around	4/7/2014 1:16 PM
50	I like the park just the way it is	4/5/2014 8:59 PM
51	Better parking, basketball goals, seating in random place (by the basketball courts, a bench just to sit and look at scenery)	4/4/2014 11:31 AM
52	The very first order of business must be the renovation of the bathhouse. No outdoor pool in the city has a bathhouse this bad. It smells on top of being dirty and ugly	4/4/2014 11:18 AM
53	better playground and water feature (for appearance and kid play)	4/4/2014 10:13 AM
54	do not provide pet waste bags in the park ; use money in other ways ; each pet owner should be responsible for own bag (preferable reused bags) ; city does not provide bags in the neighborhoods so why the parks?	4/3/2014 2:20 PM
55	you need a new play ground	4/2/2014 5:44 PM
56	Remove the tree barrier on Vernon which limits visibility into the park which adds to danger of the park area	4/2/2014 8:44 AM
57	don't really like the gravel parking area in the back part of the park	4/1/2014 1:14 PM
58	more flowers	4/1/2014 9:42 AM
59	Overall, I really like the park and am always surprised that it is so empty.	4/1/2014 9:01 AM
60	If there's no other place to store the mulch, then the piles oughta be a bit smaller to meet demand; also not the best place for long-term storage of tree-parts.	3/31/2014 5:54 PM
61	Little care has been given to the appearance of the park.	3/30/2014 2:16 PM
62	I would like more attention by the police in every venue during the day they need to get out of their police cars and mingle or get their fat ass out of the car and on a bicycle times two!	3/25/2014 7:57 PM
63	Creation of a native botanical garden	3/24/2014 3:17 PM
64	cleanup the des peres river more	3/23/2014 4:32 PM
65	Move the concerts to the middle of the park, closer to the picnic area off Midland	3/21/2014 9:08 AM
66	The brush and tangle around the river cuts down visibility and gives the park a less safe feel. Cut back the vegetation there.	3/21/2014 6:45 AM
67	More programming - sports leagues for young and old	3/20/2014 3:22 PM
68	Love the tennis courts!! Actually we use them about 3 - 4 times a week.	3/20/2014 10:56 AM
69	Please pick up the trash in the park	3/20/2014 6:15 AM
70	Need more trees	3/18/2014 10:58 AM

71	an indoor skating facility would allow for hockey to be played in U. City.	3/18/2014 10:27 AM
72	more native plants	3/17/2014 9:00 AM
73	Many more people play soccer than any other outdoor activity. Why not take advantage and get rid of some of the baseball fields and install a quality all season artificial turf soccer field	3/15/2014 9:42 AM
74	All in all, the outdoor areas appear tired and sketchy. In comparison to Shaw Park (Clayton), it just looks sad. The pool is nice. Centennial Commons is okay. The rest is below par.	3/14/2014 5:02 PM
75	safety concerns are also a factor	3/14/2014 4:34 PM
76	One thing i have never understood is why there is no memorial or dedication to the memory of officer Graham who was so instrumental to youth in the community and growth of the use of heman park. I think it would mean a lot to dedicate a soccer field or something in his memory to so many people he impacted in that area.	3/14/2014 1:47 PM
77	don't forget the natatorium!	3/14/2014 12:55 PM

#	Other (please specify)	Date
1	The water temperature was warmer. The outside temperature has been too cool to swim comfortably in the pool.	7/2/2014 4:57 PM
2	less rowdy children in the pool	6/27/2014 8:07 PM
3	add child sized toilets and sinks	6/26/2014 10:20 PM
4	The pool shape is terrible for lap swimming/swim meets. I go to the Clayton pool sometimes just because it is a more properly shaped pool. Ideally you have 2 separate pools- one for recreational use, the other for lap swimming. The chesterfield pool is a great example.	6/20/2014 12:24 AM
5	Less use of chlorine (because the smell is very strong), and there were more screening plants.	6/18/2014 1:04 PM
6	options for (at least sort of) healthy lunch / dinner existed on site	6/11/2014 6:29 PM
7	I only wish there were more chairs available. I go to the pool every day. The staff are wonderful. The facilities are great. The bathrooms need to be cleaned with greater frequencies	6/10/2014 10:24 AM
8	Concessions updated with more offerings. We love the grassed areas and the diving boards and that you have visibility of the entire pool grounds from a single location.	6/10/2014 7:19 AM
9	I mentioned this earlier in my comments, but the locker room areas are terrible (borderline gross). I think it's also nice to have some more privacy in them. I've got two boys that are too young to go into the men's side by themselves, but we still want to take advantage of the showers; it can just be awkward. Also, I've noticed at the end of the season the pool water can get funky - like that sunscreen foam starts to build up on the edges, pretty unappealing. I've been to the Clayton, Maplewood and Richmond Heights pools and they are all so much cleaner and modern. It would be nice if U. City could do the same for its residents!	6/6/2014 8:32 PM
10	Cooler water in the summer, with some deep water areas that allowed swimming, not just diving.	6/6/2014 2:20 PM
11	Lifeguards are good however in instances of bullying by bigger kids they do not know what to do. There have been multiple times when parents had to go and say something to kids who are misbehaving when a simple lifeguard whistle and some standard procedure from the lifeguard would end the bullying. The lifeguards seem to shy away and not know what to do. Training on what to do in those instances and policies by the pool would help alleviate this issue.	6/4/2014 12:12 PM
12	More children had parents present or other adult supervision	6/4/2014 10:35 AM
13	I'd like deep water aerobics	5/29/2014 10:56 AM
14	There were more shade trees. Later closing hours (open to 9pm would help). Ability to free swim at the deep end. Improved indoor swimming pool facilities and hours - I would be more likely to swim year round & make more use of the pool in summer. More lap lane capacity	5/28/2014 8:11 PM
15	More loungers on the grass	5/28/2014 7:24 PM
16	indoor	5/27/2014 3:30 PM

17	I think the pool and its facilities are wonderfully maintained and that the cost is a great value!	5/27/2014 12:26 PM
18	The staff was better supervised. It is as if the workers are not adult supervised especially in the concession area	5/26/2014 3:26 PM
19	There were adult hours and more water aerobics classes	5/20/2014 8:06 AM
20	The amenities of the pool don't bother me, but in general I am skeptical about how well pools are cleaned. This is not specific to Heman Park but applies to all pools.	5/20/2014 7:58 AM
21	If there was a saltwater pool	5/15/2014 7:49 AM
22	I think the pool is a nice benefit for the community. I have access to a back yard pool so most likely would never use it other than the puppy swim after labor day. My only observation is that changing area could use some updating.	5/14/2014 11:03 PM
23	I already go there almost every day	5/14/2014 9:38 PM
24	There were more shade trees/umbrellas	5/13/2014 8:34 PM
25	It was less crowded.	5/7/2014 12:05 AM
26	More attractions for people my age.	5/5/2014 3:23 AM
27	Love the pool. Don't always have time to go there, but it's well maintained and a wonderful amenity.	5/4/2014 3:09 PM
28	We love the pool, the community and the hours. Sometime the lifeguards seem inattentive. I would also like to see more swimming lessons offered.	5/2/2014 4:26 PM
29	Sorry, I don't swim.	5/1/2014 8:04 PM
30	Swim lessons for kids were more convenient days and hours with more options for private lessons at discounted (resident, member) rates.	5/1/2014 4:02 PM
31	Covered areas, small tables, walkways	4/20/2014 6:13 PM
32	Larger Pool	4/18/2014 11:42 PM
33	from what I've seen many people walk straight out of the pool without ever even walking through the shower let alone take a shower. The center doors should be for exit only!	4/18/2014 2:54 PM
34	There were adult-only swim hours in the evenings	4/18/2014 10:15 AM
35	I would go even more if there were a crosswalk on Olive near the main entrance. I would be more likely to bring more visitors as well.	4/17/2014 9:18 PM
36	I would love more adult aquacize classes with pool childcare provided. It also would be nice if the pool opened earlier for free swim on weekend mornings (before nap time).	4/17/2014 2:21 PM
37	The bathrooms and showers REALLY need to be updated - other facilities have super nice showers and even the commons has wonderful locker rooms, and then the pool looks like it does? Not inviting.	4/11/2014 1:12 PM
38	had more free time	4/8/2014 10:22 AM
39	i cannot comment as i have not used the pool in many years.	4/8/2014 7:45 AM
40	Don't go to pool	4/7/2014 2:08 PM
41	The pool water gets progressively murkier as the summer goes on by August it's kinda gross. It would be nice if there were morning hours on the weekends for kids to play.	4/5/2014 9:30 AM
42	Need more chairs and umbrellas of better quality, they break and don't get easily replaced.	4/4/2014 11:23 AM
43	I had more time. I have chosen a different form of exercise.	4/3/2014 2:20 PM
44	It would be great if U City would add an indoor pool to the facilities.	4/3/2014 10:35 AM
45	I hardly ever visit the pool, but might do so more if it were open on weekend mornings. I don't do the week because I'd only go in the evening, and the sun is blocked by the trees.	3/31/2014 5:54 PM
46	The crowd was better controlled.	3/30/2014 7:06 AM
47	Better concessions	3/29/2014 1:03 AM

48	The Mid County Y offers exersize classes for seniors-we offer nothing you could have an exercise class at noon time and have 50 seniors from all over the city.....	3/25/2014 8:02 PM
49	NA	3/25/2014 1:12 PM
50	If I were retired!	3/23/2014 7:04 PM
51	there was waterpolo	3/23/2014 4:38 PM
52	I would like to see more deck and less grass.	3/21/2014 2:35 PM
53	Need an indoor Pool.	3/21/2014 11:42 AM
54	More adult-only times	3/21/2014 9:10 AM
55	I would like to see the pool during the morning hours for open swimming. There are so few children and adults taking classes that there is plenty of room for others to swim.	3/20/2014 9:37 PM
56	The classes I have been interested in or generally held too early for my work schedule.	3/20/2014 4:57 PM
57	free indoor walking	3/20/2014 10:29 AM
58	More lap lanes	3/19/2014 7:05 PM
59	I can't imagine going more than we already do	3/19/2014 6:14 PM
60	It were available year round	3/18/2014 6:56 PM
61	Safer	3/17/2014 11:49 PM
62	Get rid of the grass area around the pool. It should all be paved/concrete. When its crowded, you often have to put a chair on the grass and thats not a great pool experience.	3/16/2014 10:29 PM
63	It's a lovely pool but we have our on pool so using it makes no sense.	3/16/2014 9:24 PM
64	I don't swim.	3/15/2014 3:03 PM
65	If I liked to swim.	3/15/2014 12:08 PM
66	Too crowded and rowdy at times	3/15/2014 9:45 AM
67	Please don't change the interior of the pool building! I find it very pleasant.	3/14/2014 9:16 PM
68	I liked to swim	3/14/2014 8:55 PM
69	I would love to do water aerobics but my time is somewhat limited.	3/14/2014 2:51 PM
70	I would like to see healthy options at the snack bar. My teenage boy was so excited that there were frozen grapes at the beginning of the summer. They were always sold out, so that shows that there is a need.	3/14/2014 2:42 PM
71	I go when i can for exercise.	3/14/2014 1:48 PM
72	Had more time	3/14/2014 12:43 PM
73	It was cheaper to bring my granddaughter.	3/14/2014 12:37 PM
74	I would love for the fans in the locker rooms to be dusted more often, by the end of the summer they look pretty grotty. Also, another larger floating thing, like the alligator, would be nice. My kids have found the log & the slices wonderful, but I seem to remember a lion also.	3/14/2014 12:25 PM
75	More shade! The trees were all cut down a few years ago.	3/14/2014 11:36 AM

11	Better areas for picnics, access from midland by vehicle.	6/10/2014 3:10 PM
12	Better chairs, renovated pool house.	6/10/2014 7:19 AM
13	Bigger children's area, or fountains/splash areas.	6/6/2014 8:32 PM
14	a real slide, not one like the ones on a typical household pool	6/6/2014 2:20 PM
15	Diving/play area in deep end. Maybe close diving boards for 30 mintues on the hour to let kids just swim in the deep. Currently, LOTS of kids gather in the 2 small corners in the deep end between the last lap lane and the diving board area. I LOVE the early pool hours; I would have used them more when my kids were little.	6/5/2014 8:40 PM
16	more pool toys, floaty things, i miss the trees for shade; more tables for picnicking, nicer showers and changing rooms; the toilets constantly flush wasting water, doors don't lock, it's icky	6/5/2014 7:58 AM
17	Update the lobby, shower, lockers	6/4/2014 8:59 PM
18	larger area for concessions, new floating toys which the kids REALLY enjoy, a better area for pizza parties to happen for gatherings.	6/4/2014 12:12 PM

20	better-maintained volleyball court	5/30/2014 10:00 AM

22	larger water slides - see Maplewood's pool; beer sold at concession stand	5/29/2014 8:59 AM
23	Lap lanes seem to be limited in use to one or two people per lane which makes capacity low. In other pools I've seen swimmers swim in a 'circle' within a (wider?) lane -- this increases the capacity.	5/28/2014 8:11 PM
24	more waterpark like	5/27/2014 3:49 PM
25	Indoor option	5/27/2014 12:50 PM
26	free learn to swim lessons offered	5/27/2014 12:26 PM

31	more picnic tables, updated changing rooms, more swimming lessons/better swimming lessons for stroke instruction more chairs	5/26/2014 3:53 PM
32	A lazy river would be cool	5/26/2014 3:31 PM
33	More shade... more features for families	5/26/2014 3:26 PM
34	I would like the fence around the baby pool to be removed so that you can watch multiple children, it needs to be CLEANED and KEPT CLEAN. Access to concessions is horrible. Quality of concession food is not good either.	5/26/2014 3:20 PM
35	more seating and picnic tables	5/24/2014 8:24 PM
36	better indoor pool with fun features, better locker rooms	5/24/2014 5:58 PM
37	Cleanliness, picnic area, water slides. Lifeguard awareness-I do not feel I can rely on them. Which is very unfortunate.	5/24/2014 7:13 AM
38	more things for school aged children to play with. more floating toys, more slides.	5/23/2014 10:38 PM
39	Return soccer goals to grassy area or allow play on sand court. Slide open to smaller children... maybe put the lifeguard in the pool at the exit to allow this instead of sitting on top. My daughter had to wait 3 years after growing out of the baby pool to use it.	5/23/2014 4:41 PM
40	more convenient lap swim times	5/23/2014 4:02 PM
41	One more slide or water feature?	5/23/2014 8:24 AM

48	more lap swim hours; more trees, better shade	5/4/2014 9:57 PM
49	Masters Swim Group	5/2/2014 1:03 PM
50	I would prefer the sunbathing areas to not be on grass...sand or concrete	4/18/2014 10:15 AM
51	Above that are rated poor to average. Longer hours of operation.	4/17/2014 11:14 PM
52	I love our pool amenities. I like to be able to lay out in a peaceful spot, and no matter how crowded it is, it seems I can always find one!	4/17/2014 9:18 PM
53	More play features. Concession stand with healthier snacks.	4/17/2014 2:21 PM
54	More shade. More activities. Better snack bar. Cleaner locker room. Better picnic area. Less mud in the grassy areas.	4/17/2014 10:10 AM

1	A modern look to the pool needs to be matched with a modernized bathhouse. Additionally, a few things, such as the deck chairs, lap lanes, and umbrellas, need to be replaced because they are unsafe.	8/2/2014 11:41 PM
2	A good clean-up of the entire place. The pool and baby pool need to be kept clean at all times. A good scrubbing of scum off the walls and a good daily vacuuming. Very dirty on many days. Larger eating area at the concession stand. Enough food in stock that is listed on the menu so little chance of running out. We love the people who work there...the lifeguards are usually pretty good about watching patrons. They sometimes have wandering eyes elsewhere or talk with each other. The people at the front desk are very polite! They are exceptional at greeting people as they enter and exit! Keep up the great job!!! It makes it pleasant for us to come! This is the best pool anywhere!! That is why we drive the distance to come...do not enjoy the local watermarks....U City is the best!!! Thank you for keeping the original pool!!!	7/23/2014 10:25 AM
3	If pool is improved to include current trends (ie. lazy river or water slides) , try to maintain a section as traditional pool similar to what's there now.	7/7/2014 10:19 AM
4	maybe a time for 18+ unless supervised by a parent	6/27/2014 8:07 PM
5	There should be a life guard in the bathrooms to make sure kids are acting classy. Too often kids are going crazy in the showers, jumping around and using bad language. This not only scares elderly who may be knocked over, but intimidates families with young children who do not want them exposed to foul language. Lifeguards MUST be there and should impose order.	6/21/2014 9:05 AM
6	Completely redo and upgrade pool shower and locker room facilities. Perhaps add more shading on the pool deck.	6/19/2014 7:37 PM
7	heated pool	6/19/2014 8:12 AM
8	Unattended rowdy children detracts from enjoyment	6/13/2014 7:24 AM
9	The large open nature of the pool is fantastic. Other communities that have opted for Six Flags type water parks are crowded and noisy. Our pool is much like a large open clear pond in the woods which should NOT be changed.	6/10/2014 3:10 PM
10	Better enforcement of rules regarding use of profanity by patrons.	6/10/2014 10:24 AM
11	Wireless service	6/10/2014 7:19 AM
12	Flat out, I just don't go once it gets hot. Add blocks of ice, much more deep water, or something to get the water cooler. It's not like that everywhere else.	6/6/2014 2:20 PM
13	We love the pool! Affordable and beautiful!	6/5/2014 8:40 PM
14	i think it would be nicer to have morning hours for kid swimmers. sometimes it's blazing hot at 10am in the summer and it would be nice to be able to bring the kids early	6/5/2014 7:58 AM
15	Update the lobby, shower, lockers	6/4/2014 8:59 PM
16	Check IDs and stop letting people drop off children with no supervision	6/4/2014 10:35 AM
17	Update the bathrooms and entryway	5/31/2014 7:53 AM
18	Better (faster) service at snack bar - I've waited for 20 min in line to buy a drink. This is not unusual. Updated reception/dressing room/shower facilities would be nice.	5/29/2014 1:57 PM
19	In general, I'm very happy using the Heman park swimming pool.	5/28/2014 8:11 PM
20	free learn to swim lessons offered regularly	5/27/2014 12:26 PM

21	concessions barely adequate	5/27/2014 9:16 AM
22	Trained, friendly and professional staff.	5/26/2014 5:46 PM
23	improved food area, better focus on rowdy children...it gets really out of hand sometimes with children between 10-16.	5/26/2014 3:53 PM
24	Do a mini session for the water aerobics classes in August.	5/26/2014 3:31 PM
25	It is a U City treasure; you can feel the history and yet enjoy yourself It is wide enough with the shade trees that it is cool even in the hottest days. IT already has enough bells and whistles; it has a slide, the diving board the sand and the kidde area and a big area for everyone else to just go in and cool down	5/26/2014 3:26 PM
26	Indoor pool with family facilities and better locker rooms	5/24/2014 5:58 PM
27	Lifeguard friendliness.	5/24/2014 7:13 AM
28	More vigilance of teen behavior.	5/23/2014 4:41 PM
29	It's an AWESOME POOL that we are lucky to have.	5/23/2014 8:24 AM
30	When we want to take visitors to the pool, it always takes so long and is so complicated to get a pass, etc, that we go to Richmond Heights or Clayton and just walk in. Their slides and lazy rivers are more fun.	5/21/2014 1:32 PM
31	The pool. House needs updating	5/20/2014 6:32 AM
32	I love the aquatics center generally, but I try not to touch anything in the men's restroom	5/18/2014 10:05 PM
33	The pool is great for lap swimming.	5/15/2014 11:11 AM
34	deep end should be deeper for diving	5/14/2014 9:38 PM
35	Add an indoor pool to Centennial Common	5/13/2014 8:34 PM
36	Please add indoor pool	4/23/2014 4:15 PM
37	Make people take showers to enter pool. Post signs inside and outside near pool.	4/18/2014 2:54 PM
38	Better amenities such as slides that all ages can use, fountains/fun for younger kids, SHADE COVERINGS!!	4/17/2014 11:14 PM
39	Clean the locker rooms more regularly - especially the floors!	4/17/2014 2:21 PM
40	private lessons for senior citizens	4/14/2014 12:02 PM
41	We miss the music at the pool - maybe bring it back only at certain times, if people are still complaining.	4/11/2014 1:12 PM
42	The lobby area is dark and dreary. It would be nice to have it more welcoming and brighter.	4/11/2014 10:47 AM
43	Cleaner and more modern changing/shower room	4/9/2014 9:05 AM
44	I find all aspects of visiting the pool to be delightful. It is clean and the staff is pleasant enough. IT DOES NOT NEED TO BE MODERNIZED TO BE BETTER - IT IS CHARMING AND PLEASANT AND A NICE ATMOSPHERE JUST THE WAY IT IS - LEAVE IT ALONE	4/5/2014 9:03 PM
45	Get better water filter? As above, water gets murky as summer progresses.	4/5/2014 9:30 AM
46	Would love to see the pool open at 11am and stay open until 8:30pm	4/4/2014 11:23 AM
47	It doesn't need to be "modernized", just clean and well-maintained. I love the grass and shady areas. If it could be kept cooler when it is really hot, that would be great and we would go more.	4/4/2014 10:35 AM
48	please keep the area around the dumpster cleaned up and gates closed. the area has been very messy lately and distracts from the otherwise beautifully landscaped park.	4/3/2014 2:20 PM
49	We spend a lot of the summer at the pool. The crew that work the front entry are very nice as are the concession stand employees. The lifeguards do not seem to be attentive or happy to be there. In the past there has been a lot of foul language used by some of the customers. I would like to see the lifeguards step up and put a stop to it.	4/3/2014 10:35 AM
50	a year round pool which is concerned that so few kids in U. City cannot swim or afford to learn this vital skill	4/2/2014 8:47 AM
51	The locker room areas need to be kept cleaner. This is not just an issue of them being old but they are just dirty and have seemed dirtier last summer than in previous years. I love that there is shade and grass. It seems like there are too many unsupervised children and that should not be allowed.	3/31/2014 10:32 PM

52	The locker room and bathrooms are of the poorest quality and are consistently dirty. Please upgrade and institute a plan for keeping them clean.	3/30/2014 2:22 PM
53	A direct walkway through The park from the midland side	3/26/2014 8:35 AM
54	I don't know which programs/activities are already offered; where do I find this information?	3/24/2014 3:23 PM
55	The showers/bathrooms/locker rooms could stand some upgrades, and the pool's water does get grimy and sandy at some points late in the season.	3/24/2014 10:45 AM
56	CLEAN THE POOL MORE THAN ONCE A SEASON!	3/24/2014 9:06 AM
57	the shower rooms are terrible! The bathrooms are as bad and are not cleaned frequently. I fear what diseases one would catch in this area.	3/24/2014 9:05 AM
58	We love that the pool is in such a pleasant setting; if you could help the trees and other plantings nearby that would be great. If the lawn furniture could be in good repair and the life guards excellently trained and appreciated, that too would be appreciated.	3/23/2014 7:04 PM
59	Just like basketball and soccer and football the deep end of the pool could be used for water polo games or a water polo rec league	3/23/2014 4:38 PM
60	The pool is very well run. I appreciate the friendliness of the guards and managers. However, I do often see rules not enforced by the guards - such as people eating outside of the designated areas. I think couples who are being "overly affectionate" in the water could tactfully be reminded that this is a family pool.	3/20/2014 9:37 PM
61	Provide healthier concessions.	3/20/2014 3:25 PM
62	Certainly does not seem to be on par with neighboring municipality pools. (Clayton and Richmond Heights).	3/20/2014 11:02 AM
63	I love the ambience and simplicity of the pool. It's surrounded by trees and is NOT a water park, which we really don't need.	3/18/2014 11:04 AM
64	better landscape maintenance--keep the lawn areas cleaner and possible rotate usage to preserve this feature.	3/18/2014 10:33 AM
65	Please start allowing the pool management and lifeguard staff to make decisions on pool safety, rather than allowing vocal citizens to make those decisions. I noted the question regarding "lifeguard attentiveness." Whether or not lifeguards are attentive and what to do about that is the job of the pool manager, not the regular citizen, no matter how closely tied to city government that citizen may be.	3/14/2014 6:37 PM
66	Overall, we love the pool but feel it is a little dated.	3/14/2014 4:39 PM
67	Since the puppy pool party is going to be a week later this year, please keep the pool open for the "bonus" weekend after Labor Day	3/14/2014 12:37 PM
68	I'd like some large shade trees to replace the ones that got taken down, and maybe a few more picnic tables.	3/14/2014 12:25 PM
69	Better food. Most of the food sold is sugary, high fat and not very nutritious.	3/14/2014 11:36 AM
70	It would be nice to update the locker rooms, but they are OK.	3/14/2014 11:09 AM

2	there was a sauna	6/27/2014 8:09 PM
3	There was a way to use the gym without having several youth/young adults in the way.	6/27/2014 11:39 AM
4	Indoor soccer is in huge demand and another smaller field for the younger kids would be a GREAT addition.	6/21/2014 9:12 AM
5	The main workout area is small, dark, has older machines, and needs more and better places tvs. Club fitness in the loop would be an example of what this facility could and should be	6/20/2014 12:28 AM
6	Had been designed with an eye to beauty and fitting in with the older style architecture.	6/18/2014 1:08 PM

8	Love to see a family fun indoor pool facility	6/6/2014 2:24 PM
9	A few years ago, CC offered a summer family membership which we paid for. I was very disappointed to discover that the basketball and soccer facilities were reserved for camp participants only, the workout area was for ages 13+ and the track (the only area the kids could use) required an adult to be with them (i.e., my 11 year old could not walk the track with me doing machines downstairs). It left me wondering what the "family" membership really provided? Well, that is a rant from a few years ago. However, the camp still occupies ALL areas that kids could possibly use. I did notice last year that 1/2 of the gym allowed for pickup games, but there still isn't enough space for kids to get exercise.	6/5/2014 8:55 PM

22	If they hadn't taken out the Indoor Playground. I am still angry that they took it out before the winter (when it is needed) and have not done anything with that room!	5/18/2014 10:14 PM

11	the soccer field goes empty WAY too often. It's an in-demand thing. Let the UC Soccer Club or someone else run it and program it. Indoor soccer is a year-round sport in St. Louis, and we're centrally located. It should be full most of the time. Betcha it could make a good bit of money for the city, too.	6/6/2014 2:24 PM
12	Youth programs or free gym time reserved for certain age groups. For example, if a group of 13 yr olds go up to the gym to play hoops, they are never going to jump into a pick up game with 18 yr olds. I don't know the best solution, but it would be nice to get our middle schoolers that are too old for camp active!	6/5/2014 8:55 PM

38	The recreation facility desperately needs to form a partnership with the elementary schools and middle schools in our area (private and public) to offer ALL (not just soccer and the occasional unorganized basketball league) sporting activities to help the kids who want to play sports. For example, it is appalling to me that we had to find an alternative for basketball for our son because you were not offering any teams. We have four public elementary schools (as well as privates) that I know would have been willing to participate in an organized league and play against each other. It would not only bring in money for the rec. ctr. but also provide an opportunity for all of our school kids to participate if they want. As parents, we should not have to shop around town to find suitable sporting leagues for our kids when our community has the facilities for it. This is a huge problem. You need to assign someone to take the lead on this.	5/1/2014 4:17 PM

8	More space for adult fitness classes in the evening	6/10/2014 5:44 PM

10	awesome indoor pool; the natatorium is not a draw for families with kids (think the Heights in Richmond Heights)	6/5/2014 8:01 AM
11	Steam Room	6/4/2014 9:01 PM
12	Add a jogging track around the indoor soccer field by rerouting access to the soccer field. It is a no-brainer !! and it will get a lot more people into the facility during winter months	6/4/2014 3:58 PM
13	Cleaner space for teams to sit during games.	6/4/2014 12:16 PM

34	More open areas for group exercise classes so a wider variety/more classes could be offered.	5/7/2014 12:09 AM
35	better food area	5/2/2014 7:00 AM
36	See number 35. We need to form meaningful partnerships with our schools. U.City Sports Association should be disbanded and all league sporting activities (not MSHSAA activities) should be organized and sponsored by rec. ctr. including coach screenings, etc.	5/1/2014 4:17 PM
37	I would like to add a newer indoor pool-the Nat is not modern	4/18/2014 10:16 AM
38	Cheaper rental fees for indoor turf for UCity school teams to use for practices.	4/17/2014 11:17 PM
39	Moving the Senior Center over to CentCom limited the use of the wood floor spaces and restricted CentCom from functioning as a full featured rec center	4/17/2014 3:05 PM
40	Indoor pool. Bigger/better gym facilities.	4/17/2014 10:13 AM
41	Adult Volleyball	4/15/2014 8:40 AM
42	Create a new space for the senior center - don't use the dance studio for it. Add a space for board games.	4/14/2014 12:16 PM
43	The destruction of the indoor playground was an awful decision - especially with nothing to replace it for six months?!?! The children in cub care need that space the physical activity and then to destroy it without replacing it with ANYTHING?!?! Someone really dropped the ball and it is a poor reflection on the UCity as well as the Cenn Commons management to let it go on as long as it has. What a total waste.	4/11/2014 1:26 PM
44	Bigger room for yoga	4/11/2014 10:48 AM
45	An indoor pool, more basketball courts.	4/10/2014 7:24 AM
46	sauna/steam room	4/9/2014 9:31 AM

51	Add indoor pool	4/7/2014 1:18 PM
52	Do something good with the space near the nursery. My kids loved that playground when they were younger and there is nothing there now.	4/4/2014 10:39 AM
53	KEEP THE FLOORS CLEAN, ESPECIALLY IN THE PILATES CLASSROOM!	4/3/2014 2:31 PM
54	Less hockey and soccer and more roller skating.	4/2/2014 10:13 PM
55	an affordable opportunity to learn to swim in an indoor pool which only helps the individuals and improves the quality of the high school swim teams	4/2/2014 8:56 AM
56	It would be nice to have an indoor area for younger kids especially for the winter. The gym is too chaotic so it's not safe for a young child and the soccer field is often in use so there's really nowhere to take a younger child in the winter.	3/31/2014 10:37 PM
57	steam room and sauna	3/31/2014 5:54 PM
58	More privacy for workout facilities,	3/30/2014 11:42 AM

60	wet area	3/27/2014 3:36 PM
61	Birthday parties	3/26/2014 3:42 PM

62	more meeting rooms	3/24/2014 11:30 AM
63	a hall or large room	3/23/2014 4:44 PM
64	Keep the walking area around the soccer track clear of stored equipment and material such as soccer goals, table tennis, etc.	3/22/2014 11:28 AM
65	Fitness classes need to have another space instead of the gym. Walkers are loud during class times.	3/21/2014 12:00 PM
66	Enlarge the fitness area; the equipment is all jammed together	3/21/2014 9:14 AM
67	Add an indoor swimming pool Add a softer jogging track	3/21/2014 7:01 AM
68	More exercise rooms should be built.	3/20/2014 3:30 PM
69	indoor dog walking space	3/20/2014 10:32 AM
70	A work out room for school aged children. My 9year old would love to use a treadmill on a regular basis...	3/19/2014 6:17 PM
71	There should be a dedicated separate room for exercise classes. It is ridiculous to have those classes in the gym. It's hard to hear the teacher's directions, the sun is blinding in the mornings in certain locations, and it is impossible to do any kind of relaxation exercises with the noise from the track above and the bright light.	3/18/2014 11:25 AM
72	indoor swimming pool and skating rink.	3/18/2014 10:39 AM
73	Indoor climbing wall	3/17/2014 9:25 PM
74	exercise class rooms instead of the gym	3/17/2014 4:04 PM
75	More small areas for classes and meetings	3/16/2014 9:27 PM
76	Upgrade the surface of the indoor soccer facility, repair or replace the scoreboard	3/15/2014 9:49 AM
77	Child care area viewable from workout area, not isolated at front.	3/15/2014 8:13 AM
78	indoor swimming	3/14/2014 7:43 PM
79	Fans/heaters for the soccer field that are quieter, because right now, OMG.	3/14/2014 6:55 PM
80	I would add an indoor pool and climbing wall. An eating facility would also be welcomed.	3/14/2014 5:06 PM
81	larger space for free weights and cable machines.	3/14/2014 4:47 PM
82	more rooms for classes so they don't have to meet in the gym	3/14/2014 12:41 PM
83	teen hangout area	3/14/2014 12:34 PM
84	More meeting rooms. It is difficult to have a meeting there. Sometimes the meeting rooms are taken over for fitness classes if a party has been scheduled in a fitness room.	3/14/2014 11:38 AM

1	Put in an indoor pool and switch the Natatorium programs/employment hours to the indoor pool. Also, bring back the ice rink.	8/2/2014 11:44 PM
2	There is not a consistent design look to the facility. Looks like three separate facilities: Pool bldg., Centennial Recreation Center; Indoor Soccer shed.	7/7/2014 10:19 AM
3	indoor saltwater pool	6/27/2014 8:09 PM
4	Add another (but smaller) indoor soccer field and update the existing soccer field. Could two fields be put in the existing space by expanding the field and making one field run the width and the bigger field run the length of the building?	6/21/2014 9:12 AM
5	more parking. bigger entrance way for cars	6/19/2014 8:29 AM
6	Work out area need to be larger	6/13/2014 7:26 AM
7	ventilation and other improvements to the indoor field	6/11/2014 6:37 PM
8	pick up the litter/trash	6/9/2014 4:12 PM
9	Use that back entrance for soccer during the season	6/6/2014 2:24 PM
10	the indoor soccer field needs some love	6/5/2014 8:01 AM
11	The indoor soccer field is unsanitary, very, very dirty and the field needs to be replaced. The place is gross ...in desperate need of update	6/4/2014 9:01 PM
12	Please activate air conditioning or just circulate regular air to provide much needed ventilation of the soccer field during summer months	6/4/2014 3:58 PM
13	Adding an air conditioner to the indoor soccer field, also we need access to turn OFF the heat when it is too hot in there. The ability to open the doors to get air flow would help tremendously. The fan in there now is so loud we have a hard time talking to teammates on the field.	6/4/2014 12:16 PM
14	The soccer field needs help. Air conditioning, ventilation, improved field, more activities around the field	6/4/2014 11:07 AM
15	Ventilation for the indoor soccer field	6/4/2014 10:37 AM
16	Soccer DOME	6/4/2014 9:54 AM
17	Beautiful gardens!	5/29/2014 1:59 PM
18	Frequently there is no hot water in the men's showers. Is there an issue with the water heater? Also the TVs in the fitness area have been inoperable since February, set on predetermined channels that don't change -- can we switch back to Charter for service or have AT&T correct the problem?	5/28/2014 12:01 PM
19	better flooring and lighting in indoor soccer field; useable concession space	5/28/2014 11:29 AM
20	Larger facility, outside seating area	5/27/2014 12:53 PM
21	no	5/27/2014 12:28 PM
22	Better air quality in soccer area. Fix it up a bit. Put in a good coffee bar and better snack stand.	5/26/2014 7:21 PM
23	Everything needs to be upgraded. Water fountains, bathrooms, observation area in soccer area.....these can look so drab and dated compared to similar rec facilities in older communities.	5/26/2014 4:02 PM
24	Indoor pool, lap swimming, swimming lessons.	5/26/2014 3:21 PM

25	indoor pool	5/24/2014 6:01 PM
26	Airflow on turf field on warmer days.	5/23/2014 4:53 PM
27	Gosh, no.	5/23/2014 8:27 AM
28	Restrooms and locker rooms need to be renovated	5/22/2014 9:37 PM
29	in comparison to other community facilities in our area the facility is outdated	5/20/2014 8:20 AM
30	Yes. The facilities are not well cleaned. Stickers have been placed in the locker's rooms for months and not been removed by cleaning staff. There may be an issue with the plumbing as the women's locker room often smells rancid.	5/20/2014 8:02 AM
31	The television service, now provided by AT&T U-verse, is terrible. It took an eternity to install, and it regularly goes into a "screen saver" mode and requires intervention by staffers to display correctly. There are also no remote controls available. This "improvement" to TV service was not an improvement at all. It was horribly botched, and is every bit as bad as the situation with the Indoor Playground. Something is very wrong with our procurement processes or personnel, or both. We need a reliable and user-controllable TV service.	5/18/2014 10:14 PM
32	meeting rooms should be bigger	5/14/2014 9:39 PM
33	Indoor pool	5/13/2014 8:35 PM
34	better walking around building	5/2/2014 7:00 AM
35	Okay as is. New facility.	4/23/2014 4:13 PM
36	litter should be cleaned up more often. Need railing along ramp sidewalk.	4/23/2014 2:26 PM
37	The floor in the dance studio is very bad. It should be repaired or better, replaced.	4/23/2014 2:10 PM
38	A crosswalk on Olive Blvd. for better walk-bike access to facility.	4/18/2014 12:37 PM
39	It seems to be very dirty every time I'm there.	4/17/2014 1:31 PM
40	Add flower landscaping to the Olive entrance to the parking lot	4/14/2014 12:16 PM
41	I have pointed out on more than one occasion how the floor in the meeting room needs to be cleaned. I have pointed out an ant infestation in the exercise area. It really is a shame that no one is cleaning the gym, the soccer field area or the exercise area as well as it should be cleaned - look where the carpet meets the wall underneath the TVs - dust, cobwebs, dead spiders.	4/11/2014 1:26 PM
42	The exercise room is too hot!	4/9/2014 9:07 AM
43	The weight room needs to be updated The indoor soccer area needs more lights	4/7/2014 4:57 PM
44	clean the floors better	4/5/2014 9:32 AM
45	Rehab the bathhouse - add steam sauna	4/4/2014 11:25 AM
46	An indoor pool.	4/3/2014 10:37 AM
47	Multi use needs to be improved.	4/2/2014 10:13 PM
48	improved paved walking trails throughout and around the park with benches and fountains near	4/2/2014 8:56 AM
49	no	4/1/2014 1:21 PM
50	It seems like there is need for an additional meeting space as they have to move the Saturday morning classes into the "board room" sometimes and it's not really large enough for children and parents.	3/31/2014 10:37 PM
51	indoor soccer field requires cleaning and updating	3/29/2014 12:59 PM
52	Area around pool	3/29/2014 1:05 AM
53	fix the leak in the gutter above the front door. Add a concession stand or good coffee machine.	3/28/2014 10:40 AM
54	Add more recycling containers in designated areas.	3/26/2014 3:55 PM
55	The Bird Garden is wonderful!	3/24/2014 3:25 PM
56	The common rooms are frequently grimy.	3/24/2014 10:48 AM

57	WINTER POOL WITH HEATED WATER FOR WATER AEROBICS	3/24/2014 9:17 AM
58	new locker rooms and building for the outdoor pool, a few improvements on the indoor soccer facility	3/23/2014 4:44 PM
59	It needs to be expanded if possible. Designated rooms for classes and private activities.	3/21/2014 12:00 PM
60	Indoor pool	3/21/2014 9:14 AM
61	We need to expand the facility so there are more exercise and meeting rooms.	3/20/2014 3:30 PM
62	More trees should be planting around the building. The building is filthy, particularly the gym floor when we come in for morning classes. Gum, rubber bands, candy, dust and other grime can be found around the perimeter of the floor and under the bleachers. The construction seems shoddy. The gym floor is uneven. There is peeling paint.	3/18/2014 11:25 AM
63	easier access is a good idea. open the access off midland.	3/18/2014 10:39 AM
64	Indoor climbing wall	3/17/2014 9:25 PM
65	senior programs in the mornings seems to be crowded and need more space	3/17/2014 4:04 PM
66	more native plants	3/17/2014 9:03 AM
67	Better cleaning, track with better surface, indoor pool	3/16/2014 9:27 PM
68	more bird friendly plants, more feeders and landscape the River d Peres into a water park	3/16/2014 2:28 PM
69	Upgrade the surface of the indoor soccer facility, repair or replace the scoreboard	3/15/2014 9:49 AM
70	Indoor soccer field rental for teams is most likely a big money generator, but it leaves no time for rec groups to use the field during the winter.	3/15/2014 8:25 AM
71	KEEP the free weights, they are better than machines in my opinion. But some of the racks (like the squat rack) need to be bolted to the floor properly.	3/14/2014 6:41 PM
72	Again, compared to the Center of Clayton, it is just tired.	3/14/2014 5:06 PM
73	the toilets in the ladies room down by the soccer area flush at odd times. This is scary for children.	3/14/2014 12:41 PM
74	Better Showers	3/14/2014 11:30 AM

2	indoor saltwater pool	6/27/2014 8:09 PM
3	The showers are poor. Often times no hot water.	6/19/2014 7:40 PM
4	We live within walking distance of the clayton community center and work in clayton so get a discount over their non-resident rates, it's just easier to be able to walk there rather than drive to heman park	6/16/2014 11:15 AM
5	Same as above	6/13/2014 7:26 AM
6	could a year round amenity like a Subway sandwich shop (i.e. something with healthier offerings) survive at the facility?	6/11/2014 6:37 PM
7	I wish there were a tai chi class in the early evenings. I can't take off work to go in the mornings.	6/10/2014 11:01 PM
8	The staff is great. They do a great job	6/6/2014 10:36 PM
9	The gardens are always beautiful and I've really appreciated that. The exterior looks good - love the lion & fountain areas.	6/6/2014 8:35 PM
10	The Commons' website could be improved, making it easier to sign up for programs online. Also, it would be nice if the soccer field and basketball courts schedules were posted online. It would make it easier to plan court/field times.	6/5/2014 8:55 PM
11	The indoor soccer field is unsanitary, very, very dirty and the field needs to be replaced. The place is gross ...in desperate need of update	6/4/2014 9:01 PM
12	air conditioning for the indoor soccer field	6/4/2014 3:58 PM
13	I enjoy the soccer field, but believe it could be better maintained and could be cooler in the summer months	6/4/2014 11:07 AM
14	soccer dome needs air circulation, new turf, new nets	6/4/2014 9:54 AM
15	aerobics machines with tv aattached.	5/27/2014 3:25 PM
16	My son used to love to come and play basketball when I worked out and now he avoids coming at all cost. He is bullied routinely when trying to shoot baskets. The staff do not notice that people take his ball and throw it and he sometimes tries to get help and other times is scared. It can sometimes be intimidating when a bunch of people are standing around and talking loudly when trying to access the fitness area. Also, when working out, the TVs turn off with the new cable service and you have to stop and get someone to help you, which is frustrating to have to stop what you're doing. Additionally, people change TV channels constantly without asking if other's are watching. There's no sign by the remote reminding of this courtesy. It would be nice if the scale was located in each of the restrooms/changing areas for those more self-conscious about weighing themselves--not right by the desk.	5/26/2014 4:02 PM
17	I think there should be a bigger discount on program fees for members to encourage members to participate	5/26/2014 3:35 PM
18	indoor pool with family facilities	5/24/2014 6:01 PM
19	Fitness area cleanliness. The cleaner and towels at each piece of equipment is great! More mats for stretching downstairs would be a great addition.	5/24/2014 7:16 AM
20	its been awful not having good tv for awhile. There must be good tv in the fitness center and weight room. Sometimes the language coming from the basketball court is awful and very loud.	5/23/2014 4:08 PM

21	the placement of the current fitness area seemed a complete afterthought, wedged into a small space. this is not a contemporary layout for a recreation center	5/20/2014 8:20 AM
22	Please encourage the cleaning staff to do a more thorough job.	5/20/2014 8:02 AM
23	Please look at procurement policies and procedures, and personnel. If it takes 6 months to act on refurbishing the room that formerly housed the Indoor Playground, and if it takes months to switch from Charter Cable to AT&T U-verse (and still botch it), something is terribly wrong.	5/18/2014 10:14 PM
24	Finding a way to build an indoor pool would benefit the community	5/15/2014 4:01 PM
25	The group exercise rooms are always extremely dirty and could do with more frequent sweeping. Also, there is a dismal lack of programming offered in the evenings.	5/7/2014 12:09 AM
26	walking paths outside and covered seating to watch pool and birds , out side restrooms. cover trash area, looks bad and smells.	5/2/2014 7:00 AM
27	Number 35 and 36 are very important, you should do a survey on that alone.	5/1/2014 4:17 PM
28	Please add indoor pool	4/23/2014 4:15 PM
29	Great exercise place. Remove horse, move check in closer to front door. Have more chairs in lobby plus coffee machine.	4/23/2014 2:26 PM
30	Improve showers in men's locker room. Maintain sinks in men's locker room. There are 3 sinks - usually only one faucet works. Place drinking fountains in locker room/weight room area	4/23/2014 2:17 PM
31	Priscella Westbrooks is an excellent instructor. I think she should teach more classes.	4/23/2014 2:10 PM
32	Except for watching soccer games, everything including walking cost money. If you don't play basketball there is nothing for teens to do. Cent Com is not not teen friendly. If you disagree, you're deceiving yourselves.	4/18/2014 2:57 PM
33	Create an inline/roller skate oval in the area around the indoor soccer field.	4/14/2014 12:16 PM
34	Not too long ago, the Commons was a beautifully maintained recreation facility, of which I could find no fault and when someone complained, I always defended because nothing was really that bad. Something has changed in the past two years and the place just seems dirty - and not because it is no longer "new". More like, no one really cares.	4/11/2014 1:26 PM
35	Staff not always available to turn on TV and change channels since new TV service	4/9/2014 9:31 AM
36	Cafe inside the rec center Ballroom dance class	4/9/2014 9:07 AM
37	More economical transportation from home to center for seniors	4/7/2014 2:09 PM
38	I would like to see the classes included in the cost instead of in addition to.	4/4/2014 11:34 AM
39	The gardens are amazing! Please go back to making it more welcoming to older kids and teens. Almost everything that used to be here for them is gone.	4/4/2014 10:39 AM
40	offer community flea market twice a year, in the spring and in the fall	4/3/2014 2:31 PM
41	More aerobic classes in the evenings, at least after 6pm. There could be at least a 6pm and 7pm class on Mon/WEd or Tues/Thurs to offer for those members who don't get off work until 5pm	4/1/2014 1:21 PM
42	The staff do not seem rigorous about enforcing rules about getting in, having a parent, swearing and other basic rules of civility and cleaning as the space is often pretty dirty while staff are hanging out in the weight area watching sports.	3/31/2014 10:37 PM
43	I find the staff to be delightful and helpful	3/31/2014 5:54 PM
44	director that runs the building is not very knowledgeable of building and puts things off on other staff but takes credit for doing the work. is also very unfriendly.	3/24/2014 11:30 AM
45	Fitness equipment that is in need of repair should be removed and not allowed to be used. All class rooms need to be mopped and sprayed for bugs.	3/21/2014 12:00 PM
46	We need an indoor pool facility like center of clayton. I dislike the natatorium.	3/21/2014 7:01 AM
47	Expand the # of exercise and meeting rooms, provide personal trainer that does not cost extra for users. When expanding the facility, include a kitchen. Include cooking/nutrition classes on program.	3/20/2014 3:30 PM

48	nice facility	3/20/2014 10:32 AM
49	We joined the Brentwood YMCA because the amenities and programs did not fit with our needs. The program schedule does not fit my wifes needs and I swim laps year round in the afternoon.	3/18/2014 7:00 PM
50	I would hate for any more green space to be taken up by construction. Perhaps the size of the lobby or children's playroom could be reduced or reconfigured to allow for an exercise classroom. I frequently see staff talking on cell phones or sitting around not working. Is this why the facility is so dirty?	3/18/2014 11:25 AM
51	No user friendly.	3/18/2014 10:39 AM
52	private rooms are too pricey to rent	3/17/2014 4:04 PM
53	Upgrade the surface of the indoor soccer facility, repair or replace the scoreboard. The surface is too hard and many have quit coming because it is too hard on joints.	3/15/2014 9:49 AM
54	It was a shame to have to move weekday classes to the gym with the relocation of the senior program. Not the best environment for classes and disruptive to people on track.	3/15/2014 8:25 AM
55	More equipment and classes such as yoga.	3/15/2014 8:13 AM
56	We would love to see an indoor skating rink in the Heman Park area.	3/14/2014 4:47 PM

7	I am 44 years old and have been a resident my entire life. I wanted to rent the community center for my daughter birthday party and the rate was absolutely ridiculous. I ended up having her party at Blueberry hill private party room for 1/3 of what U.City was charging.	5/19/2014 7:00 AM

2	indoor saltwater pool	6/27/2014 8:11 PM
3	This one is a no-brainer! If the funds are there, number 1 is clearly the best option.	6/19/2014 7:45 PM
4	nothing	6/19/2014 8:58 AM
5	Note for the Survey Monkey people: I was unable to reassign ratings on Q. # 42. Not really able to make informed decision as I haven't seen plans or suggestions.	6/18/2014 1:16 PM
6	Unsure. Do not use	6/13/2014 7:29 AM
7	better lighting, more open feeling,	6/11/2014 6:41 PM
8	Music room. Catering kitchen. Prefunction area. Divisible meeting rooms.	6/10/2014 7:25 AM
9	it would be great to absorb it into centennial commons and ad a coffee bar for socializing; and a place for using wifi; it would bring more people in to socialize	6/5/2014 8:04 AM
10	Indoor playgrond	5/29/2014 11:00 AM

15	Are there classes offered? Weaving, pottery, quilting? Cooking, CPR, first aid? I cannot find a list, if there are classes offered.	5/26/2014 8:10 PM
16	Greatly improve kitchen. Move seniors back to Heman so more classes can be offered at Cent. Com.	5/26/2014 7:25 PM
17	Maximize current use possibility.	5/26/2014 6:05 PM
18	Brand it where it has its own name and if know from what its use it. Voted there for a number of years It is a great building for events, maybe update the restrooms a little	5/26/2014 3:33 PM

28	I would combine it into the Centennial Commons building with Senior activities.	4/16/2014 6:53 PM
29	Update the 60's look. From a design stand point, it is not an attractive building.	4/15/2014 4:16 PM
30	Above number should be 2,1,3. It wouldn't change when I clicked	4/15/2014 8:45 AM
31	Return senior citizen activities to the center	4/14/2014 12:06 PM
32	Something is wrong w/ the survey - it won't let me rank other than 1,2,3, I want to rank as 2,1,3.	4/11/2014 1:29 PM

36	Need to have better recycling facilities there Every time I go the cardboard is overflowing, hard to use and messy. Not conducive to encouraging use. This is frustrating.	4/5/2014 9:34 AM
37	Dual purpose for the soccer field	4/4/2014 11:36 AM
38	If it is kept where it is, it needs to be completely renovated. It is too outdated.	4/4/2014 10:19 AM
39	U City needs a youth space for activities in addition to sports & recreation including computer labs, tutoring, parenting classes, etc. Delmar-Harvard building would have been a good place to set up such a program to partner with the city/schools/library in support services and activities for our youth. Heman Park Community Center could be remodeled & improved for such unless you can find space at the high school or elsewhere. A computer lab with membership like CC would be a good offering and use for that space.	4/3/2014 6:29 PM
40	Couldn't get the boxes identified, my #1 is box2 and #2 is box1 #3 is box3.	4/2/2014 11:21 AM
41	I selected significant improvements for the Comm. Center as #1.	4/2/2014 9:03 AM
42	later aerobic classes	4/1/2014 1:22 PM
43	There is something wrong with the boxes above. I would rank them as 2, 1, 3. I like the idea of having a second space but it doesn't seem like a very nice space and the one time I looked into renting it it was kind of expensive.	3/31/2014 10:39 PM
44	Updates !	3/29/2014 11:24 AM
45	#42 isn't working. My order is 2, 1, 3. Please upgrade the kitchen, the electricity, the lighting and the floor. We need HPCC	3/28/2014 10:44 AM
46	MAINTAIN WITH SIGNIFICANT IMPROVEMENT	3/27/2014 3:36 PM
47	A rec space for teens. Pool tables and snack machines.	3/26/2014 8:38 AM
48	moving it	3/25/2014 8:06 PM
49	I have been a resident for 42 years and I am unaware of the programs and usage available at the facility. The building is a good building but is it used and do residents know how to use it or what the programs are?	3/24/2014 9:09 AM
50	More exercise equipment and space.	3/23/2014 8:25 PM
51	rebuild larger or replace with an ice rink!	3/23/2014 4:47 PM
52	Add meeting rooms or computer rooms like we have at the library.	3/21/2014 7:21 AM
53	The above section did not work. Significant Improvements is #1	3/20/2014 5:00 PM
54	#42 does not let me rate the options on this survey.....Maintain HPCC as is continuing to address repairs as needed #1	3/20/2014 10:38 AM
55	NONE	3/20/2014 6:17 AM
56	I addressed this above. More attractive furniture, paint, lighting, etc.	3/18/2014 11:27 AM
57	Small and large meeting rooms--better heating and air conditioning.	3/18/2014 11:11 AM
58	If two events are going on at the same time the folding wall divider does not provide enough sound proofing for each event to be private.	3/17/2014 4:08 PM

59	might be worth having a competition by Wash U architecture school students &/or architectural firms to suggest ideas and then view in person and online to survey the community, like a charette	3/17/2014 9:08 AM
60	It's the only facility with a kitchen. Having no kitchen limits usage of the Commons. Cannot eliminate HPCC unless there is a major addition to the Commons with a commercial kitchen.	3/16/2014 9:32 PM
61	just so you know, item #42 didn't record my ranking correctly. I couldn't change them to my preferences. For the record: 1,3,2.	3/14/2014 11:13 PM
62	Building up? Another floor?	3/14/2014 6:59 PM
63	An indoor pool is needed to compete with other communities. The indoor soccer is great. Food service is necessary.	3/14/2014 5:08 PM
64	I can't change the rating on question 42. My first choice would be to expand Centennial Commons. My second choice would be to make significant improvements to Heman Park.	3/14/2014 2:56 PM
65	I don't know what is meant by 'significant' improvements/remodel to the bldg/sys.	3/14/2014 2:45 PM
66	Put the seniors back there Hold classes there let more community groups use it for a lower fee for events or minimal fee or free for meetings.	3/14/2014 12:45 PM
67	It is not letting me rank the above options which I would rank 2, 1, 3	3/14/2014 12:45 PM
68	Very inefficient building (HVAC, lighting, furnishings). Would prefer to have meetings at Centennial Commons if space were available.	3/14/2014 11:40 AM

9	Turning into park area would be strange considering it's right next to the waste depot. Could we hold a winter farmer's market in there, like Clayton?	6/6/2014 8:41 PM

49	More parking	3/21/2014 9:17 AM
50	The parking area behind the building is in poor repair and I don't feel that there is sufficient lighting.	3/20/2014 7:55 AM
51	NONE	3/20/2014 6:17 AM
52	A new landscpae plan is needed. the entrance to the building should be integrated with the parking. or Change the parking lot to the front--it doesn't feel safe to go there alone at night.	3/18/2014 11:11 AM
53	reconfigure driveway so can exit on Pennsylvania	3/17/2014 9:08 AM
54	The building looks old and plain. It could be made more attractive, although I have no suggestions about how to do this.	3/15/2014 12:14 PM
55	bathrooms, kitchen	3/15/2014 9:51 AM
56	The drive at the front entrance could be widened and improved. The kitchen space could be updated and/or enlarged.	3/14/2014 6:47 PM
57	It just needs to be cleaner, greener, and more secure.	3/14/2014 5:08 PM
58	Maintain the driving area; additional parking needed, especially for special events--NOT along Midland or along residential streets.	3/14/2014 2:45 PM
59	Very inefficient building (HVAC, lighting, furnishings). Would prefer to have meetings at Centennial Commons if space were available.	3/14/2014 11:40 AM

1	Remove from this isolated location and if an additional room is needed add to Centennial Commons. Also - Do NOT expand the City maintenance facility any further into the park - try to remove.	7/7/2014 10:20 AM
2	Demolish the building and add more green space to the park	7/2/2014 5:04 PM
3	Flexible use space is badly needed for the community: adult learning programs, public meetings, events, etc.. I would add a fitness area for the very elderly and frail, as the current new fitness equipment at CC is inappropriately scaled and too unwieldy for this population. Ucity has a large elderly population.	6/19/2014 7:45 PM

5	We're more likely to visit the park, etc., if there were more attention to native and climate-adjusted plants, setting up "plant rooms" to visit and enjoy.	6/18/2014 1:16 PM
6	Unsure	6/13/2014 7:29 AM
7	The seperate second space is really unnecessary...cent com should just be expanded or whatever goes on at the Comm. Ctr should occur in Cent. Com. The space where the ctr. is could be used for other amenities that community members want to see.	6/10/2014 8:30 PM
8	tear it down!	6/10/2014 3:13 PM
9	I don't know how the community center is currently being used, but I notice that many senior activities are now at the Commons, which is already taking meeting rooms' availability. Without knowing all of the details, it might make sense to have many multi-purpose spaces at Cent. Commons versus both facilities. One central location could make space more efficient.	6/5/2014 9:01 PM
10	If I remember correctly, I believe some areas such as Olivette and St. Ann have better rates for their facilities and that is why sometimes they are preferred.	5/27/2014 3:36 PM
11	none	5/27/2014 12:30 PM
12	I believe the options are skewed. IMHO, kill two birds with one stone by adding banquet facility/meeting room to Ruth Park permitting commission meetings in evening, improve kitchen facilities there AND move regular day time events of Comm Center to Centennial Commons	5/27/2014 9:20 AM
13	I think I have been to one event at the Community Center - 5 or more years ago. I kind of get the feeling it is a senior citizen center.	5/26/2014 8:10 PM
14	We need this facility. It is rented often so let's make it nicer. Let's move the seniors back there since it isn't used much during the day but is still heated and cooled. We are short on space at Cent. Commons. The exercise classes prefer the smaller rooms, and many people cannot use the gym for free play when classes are held there.	5/26/2014 7:25 PM
15	Paint and upgrade the building and rent it for more activities with securities.	5/26/2014 6:05 PM
16	Been in U City since 1984, it seems it has always been under utilized. lived in the neighborhood and mostly went to vote or events/and thought of as for old folks. Let it be a youth center too education center. year round plant center	5/26/2014 3:33 PM
17	I saw somewhere that you were considering horses. HORRIBLE IDEA. U City does not have the appropriate knowledge and training to have horses, nor is there any knowledge about what to do with them when they are hurt etc., it's a huge lifelong commitment, similar to a dog or cat. You cannot just dump a horse at a shelter. DO NOT GET HORSES.	5/26/2014 3:23 PM
18	indoor pool would be great-natorium is an embarrassment	5/24/2014 6:04 PM

19	It is odd that there are two meeting spaces within the park. That said, there simply isn't room or parking at the other, and moving this space would be quite expensive, and as a taxpayer, I don't want to cough up the cash. Since there isn't anywhere else to put this: The most important part of the park to me is the free mulch.	5/23/2014 8:31 AM
20	I have only visited HPCC twice. I don't know what function it plays in the park. If the center is maintained as is, more advertising about its amenities would be valuable.	5/20/2014 8:05 AM
21	Regarding Option 3, please do not move the municipal court function to Centennial Commons. I would not appreciate the long lines of defendants awaiting their day in court to be congregating anywhere near the Centennial Commons as they do now on Pennsylvania Ave. To move that court and its queue of defendants to CC would be, in a word, stupid.	5/18/2014 10:21 PM
22	I think the best scenario is remove the building and add a similar space to CenCom. I think this would make more sense from a staffing standpoint. Also the current building is dated and not visually appealing or interesting and the public works and recycle area detract from it.	5/14/2014 11:07 PM
23	I honestly do not know what is offered at the Heman Park Community Center and have never been there. I have never seen or heard of anything offered there that would fit my needs.	5/7/2014 12:11 AM
24	It would be nice if the facility was updated to make the park a little easier to get to. For example, family reunions could also use a baseball field.	5/1/2014 4:21 PM
25	Consolidate compositing in heman park	4/23/2014 4:14 PM
26	paint wall neutral color, video screen added	4/23/2014 4:05 PM
27	Use best microphone system we have available.	4/23/2014 2:28 PM
28	Improvements should be made to recycling center. This may not be under parks department but should be considered while thinking about the community center. The recycling area needs to look better and possible be larger to handle all recyclables to expand what is recycled; electronics, hazardous waste, books, etc.	4/23/2014 10:17 AM
29	Replacing it with a facility at Cen Comm makes sense. The new space should be made multi-purpose. It should be designed with aesthetics and character in mind. It should be made warm, appealing, and inviting like an extension of someone's home where you would really enjoy entertaining guests.	4/18/2014 3:45 PM
30	Rather than separating the community between two spaces, I would advocate for expanding Centennial Commons.	4/18/2014 10:18 AM
31	The work done by U City in Bloom really makes this corner (and all corners) of the park look nice.	4/17/2014 3:10 PM
32	The morning (weekdays) desk staff are wonderful; Al, Cece, Paula, Daniel. The trainer/instructor, Priscilla Westbrook, is great - personable, professional, positive attitude.	4/14/2014 12:18 PM
33	The seniors should have their own building and the community center is appropriate.	4/14/2014 12:06 PM
34	Thanks for asking! :)	4/11/2014 10:49 AM
35	I have never been there. I think the space could be used effectively to add to Centennial Commons and park space.	4/10/2014 7:26 AM
36	No	4/7/2014 2:04 PM
37	Very good place to spend time	4/7/2014 1:38 PM
38	Better recycling	4/5/2014 9:34 AM
39	I have lived in U-City for 38yrs and love being apart of U- City.	4/4/2014 7:49 PM
40	There should be features that make U City stand out. To draw more people, families, etc to the community park	4/4/2014 11:36 AM
41	Whomever is telling lies on our group, needs to be excused, stay home, or go to another facility.	4/4/2014 10:49 AM
42	This would be a great space for a skate park.	4/4/2014 10:19 AM
43	Parking is a concern in this limited area.	4/2/2014 9:03 AM
44	Would like to see more recycling containers inside the building.	3/26/2014 3:57 PM
45	this should be a world class basketball area	3/25/2014 8:06 PM
46	An ice rink might be a good idea for families, although I would probably not personally use it very often.	3/21/2014 2:49 PM

47	The Community Center is a valuable asset. It should not be demolished.	3/21/2014 9:17 AM
48	update the facade	3/20/2014 10:38 AM
49	I have only ever gone there to vote.	3/18/2014 7:01 PM
50	The building is a nice 50's design. I suggest that a planning analysis by a competent architect be initiated--compare renovation vs. renovation and addition vs addition to the Commons Facility. Contact me --314-862-1657--Christine Albinson, RA.	3/18/2014 11:11 AM
51	If it is decided to keep the facility then it needs to be updated--kitchen and all.	3/17/2014 4:08 PM
52	what would it take to alter city hall so that we could go back to having city commission meetings there?	3/17/2014 9:08 AM
53	It is my understanding the it is in the flood plain which might make investing a lot of funds in it problematical. It's nice to have something with has an open floor plan and is flexible for meetings.	3/15/2014 3:30 PM
54	Didn't Cent Com already absorb Community Center activities? What goes on there now, other than private rental?	3/15/2014 8:27 AM
55	The survey will not allow me to select my answers for question #42 out of order. My selections would be: 2, 1, 3.	3/15/2014 8:18 AM
56	I've only been in this building for public meetings, but we tried to rent it out for a Trivia night for one of the Elementary Schools one year, and the fee was much too high for us. If this is a building that is going to house mostly receptions, I do think it needs to be a bit more spiffy. No one wants to start married life out in something that looks so plain.	3/14/2014 6:59 PM
57	We have no preference for this space since we never use it.	3/14/2014 4:48 PM
