STORM DAMAGE

- The Forestry Division maintains trees on public rights of way, in parks and on other public properties.
- After a storm, city workers clear the streets of downed tree limbs on an emergency basis.
- Trees on private property must be maintained by property owners.
- Limbs less than 3 inches in diameter may be cut into 4 foot lengths and bundled for city collection.
- Property owners must dispose of any debris from privately owned trees at their own expense.
- To report damage to public right of way trees, or limbs blocking streets, please call: 505.8619.

RAIN BARREL PROGRAM

Help manage storm water and improve water quality in University City by installing a rain barrel. Rain barrels capture storm water runoff from your roof. You can re-use the water for flower/vegetable gardens and household plants. For more information or to purchase your rain barrel from the River des Peres Watershed Coalition, visit www.riverdesperes.org.

YARD WASTE COLLECTION

- On regular collection days, yard waste is collected if contained in biodegradable bags. Yard waste stickers are required on each bag from January 1 to October 14 and are available in strips of five (5) stickers for \$7.50 at the City Hall Finance Department, Schnuck's, Walgreens, BP/Amoco, University Gardens and Centennial Commons.
- Yard waste stickers are NOT required October 15 thru December 31.
