UNIVERSITY CITY TURNS LIGHTS ON AT RUTH PARK GOLF COURSE

UNIVERSITY CITY, Mo., May 3, 2012—On April 24, evening golf enthusiasts were once again able to hit a few balls after dark at Ruth Park Golf Course. At the April 23, 2012 City Council meeting, the City Council voted to turn the lights back on at Ruth Park—just in time to accommodate the start of the golf season in St. Louis.

Ruth Park Golf course will now be open until 9:30 p.m. The last basket of balls will be sold at 9 p.m.

The lights at Ruth Park were turned off after complaints were received from residents who lived across the street from the driving range. Residents said that the lights from the golf course streamed into their homes. After the complaints, the City decided to make Ruth Park open only during daylight hours.

The Park Commission and Traffic Commission are looking at solutions to decrease the light disturbance to nearby residents.
