Administration

University City is embarking on a visioning process that will produce a future-oriented and inclusive Community Vision for its residents looking out to 2040 (see Attachment 1).

Public Works

The asphalt street improvements project is scheduled to continue with the paving work in the week starting on Monday, October 11th at the following locations:

STREET	FROM	TO
Harrison Ave	Lynn	Wayne
Harrison Ave	Wayne	Milan
Limit Ave	Delmar	Alley Dead End
Seville Ave	Braddock	Tamerton
Appleton Ave	Sheridan	Coolidge
Berick	Delmar	Oakbrook
Swarthmoor	Balson	Amherst

Residents' attention is directed to temporary no parking signs at the work locations to accommodate the work as expeditiously and of the highest quality as possible. Please contact the department office at (314) 505-8560 with any questions.

A Commission on Storm Water Issues regular monthly meeting was held on Tuesday, October 5. The meeting discussion included the review of a community questionnaire for the St. Louis Regional Hazard Mitigation Plan for future stormwater funding opportunities and MSD Operations, Maintenance and Construction Improvements reimbursement program. The Commission discussed the US Army Corps General Reevaluation Report and its current criteria for the development of solution measures. There was also a discussion about surveying the community for Stormwater Master Plan development purposes and review of draft survey documents. The Commission moved to have a community survey completed per any input from the Commissioners on the survey questions. The Commission received updates about the relief map making status, technical meeting discussions with the Army Corps and flooding early warning system. Lastly the Commission discussed a Conditional Letter of Map Revision (CLOMR) application for the Markets at Olive development and received updates about its administrative process.

A Traffic Commission regular monthly meeting is scheduled for Wednesday, October 13 at 6:30 p.m. The meeting will be conducted on Zoom.

A Green Practices Commission regular monthly meeting is scheduled for Thursday, October 14 at 5:30 p.m. The meeting will be conducted on Zoom.

Fall Curbside Leaf Collection is coming up! This season's work is scheduled to begin in the East area in the work week starting on Monday, November 1, 2021. We ask that our residents rake their leaves to the curb line between the Friday before collection begins in your area and Monday 7 AM of your collection week. The truck will make only one pass per household. Please do not mix other yard waste (gumballs, trash, small tree branches/limbs, brush, grass clippings, etc.) in with leaves and continue using the yard waste collection service for the disposal of other yard waste and contact the department office at (314) 505-8560 with any questions.

U City Community Vision 2040

University City is embarking on a visioning process that will produce a future-oriented and inclusive Community Vision for its residents looking out to 2040. The shared vision is intended to be strategic, actionable, and sustainable. University City's new Community Vision will identify future opportunities and align resources for development as the city prepares to update its Comprehensive Plan in 2022.

Schedule Update

Due to the COVID-19 pandemic and the rise of Delta variant transmission, the City has postponed the two Think Tank sessions originally scheduled for October 14 and 16 to next year. In the meantime, smaller engagement sessions with a wide range of stakeholders will be held later this year. Small groups may include students, educators, business owners, faith leaders, etc. Please stay tuned to the project website for more information and to provide us your input.

We want your input!

The purpose of this project is to develop a unified community vision for University City looking out to 2040. The vision must be built on the input of community stakeholders like you. Please take a moment to participate in this important building block of the visioning process for your community. The survey will take approximately 10-15 minutes and the results will inform the next steps in the visioning process. To take the survey, follow the project and contribute your ideas, visit www.ucitymo.org/Vision2040. We want to hear from students, parents, faculty and staff.
