Public Works

Kennedy Street Rehabilitation Project will be back underway beginning on Monday, November 1 with existing pavement removal and reclamation. On Tuesday, November 2, installation of the rock base and Wednesday, November 3 asphalt paving of the roadway. The project is intended to restore the condition of Kennedy Street to an acceptable level of maintenance, a longtime needed public works improvement. Our residents can contact the department at (314) 505-8560 with any questions.

Fall Curbside Leaf Collection is scheduled to begin in the East area on Monday, November 1, 2021 and will be performed in that work week. We ask that our residents rake their leaves to the curb line between the Friday before collection begins in your area and Monday 7 AM of your collection week. The truck will make only one pass per household. Please do not mix other yard waste (gumballs, trash, small tree branches/limbs, brush, grass clippings, etc.) in with leaves and continue using the yard waste collection service for the disposal of other yard waste. Please contact the department office at (314) 505-8560 with any questions.
