Honorable Terry Crow,
Members of the City Council,
and University City Residents:

Administration

We are targeting January 15, 2022 to return to normal operating hours at Centennial Commons. This action reflects our continued efforts to move back to pre-covid operations. Please keep in mind we remain in a pandemic and as such may need to make adjustments in hours of operations in the future if the various coronavirus variants impact staffing levels.

A meeting was held with members of the Economic Development Retail Sales Tax Board on Thursday to present them with an application from U City in Bloom to maintain planters and other vegetation in the Loop. The application will advance to the Mayor and Council for consideration on Monday, December 20, 2021.
